**SUBJECT: ERRATA – LIFE SCIENCES GRADE 12 SEPTEMBER 2017**

**DATE: 26 SEPTEMBER 2017**

The Life Sciences P1 Grade 12 September was written on Tuesday, 19 September 2017 and Life Sciences P1 on Friday, 22 September 2017. We were made aware of certain errors, amendments and omissions that were discovered during the marking process.

In order to address this and to ensure that learners are not disadvantaged, the following standardised approach to marking must be adopted across the Province. The following guidelines with regard to marking was prepared in conjunction with the examiner and moderator.

## ERRATA

### LIFE SCIENCES P1

QUEST.	COMMENT	MARKS
3.2.2	The table is already in %, so the answer must be: $18 - 14 \checkmark$ $= 4\% \checkmark$	(2)

## LIFE SCIENCES P2

QUEST.	COMMENT	MARKS
3.4.3	Markers must switch the answers for the position of the Foramen magnum in Skull 1 and Skull 3 as they have been swapped around in the marking guideline.	

We request that this must be brought to the attention of all educators marking these papers and sincerely apologise for the inconvenience.

Yours in education.
