SECTION C:

Question 7: Case study

Use the case study to answer the questions that follow:

For as long as Peter can remember, they have gone to Margate for their holidays. But for this school holiday, they are going on a brand-new adventure. A holiday in Kosi Bay! Peter is not exactly sure where it is located, but he overheard his father saying something about the far north of KwaZulu Natal. It was a fun-filled holiday, filled with new experiences that they will never forget.

But once they returned home, they all started to feel sick. When they visited the doctor, he diagnosed them with malaria. (Adapted from Platinum Life skills Grade 6)
